## LECTURE TO-NIGHT

MISS SIEGFRIED TO TALK OF THE PHILIPPINES.

## DOING GOOD WORK

And People Are Eagerly Accepting the New Religion, Says Evangelistic Teacher, Who is Here.

Miss Sylvia Siegfried, for five years an evangelistic teacher in the Philippine Islands, arrived in Maryville Thursday morning and is the guest of Mr. and Mrs. W. C. Frank.

Miss Siegfried will give her illustrated lecture on the Philippines this Thursday evening in the First Christian church, under the auspices of the Endeavor society. She is an attractive young woman and a charming speaker, able to entertain an audience as well as to instruct.

Miss Siegfried has been an evangelist missionary for five years at Laoag, in Luzon, the largest of the Philippine Islands, and the one lying farthest north. The people of this island are more energetic and industrious than the people of any other part of the Philippines. They are known as the Ilocano tribe.

Miss Siegfried is enthusiastic in her belief that all effort that is being made for these people is being more than repaid by them in their eager acceptance of the new religion they have accepted, and they are much more familiar with their Bibles and follow its teachings more closely than do we Americans. We have allowed it to become common and do not appreciate the advantages of its teachings because we have given ourselves over to ease and pleasure.

No two tribes speak the same language, but all have a touch of the Malay dialect. The American schools are doing a great service in that country, because those who attend the schools learn the English language, and it will not be many years until the people of the various tribes will be brought together through a common language.

Fifteen years ago, when the American schools opened up in the Philippines, only 14 per cent of the people could read and write. Now 36 per cent of the population is in school.

The natives who are being trained for Bible workers and teachers prove themselves well adapted to the work. They like to study as a rule. All you have to do is to interest them and give them something to do and they are willing and capable when taught.

The Philippine government supports the native and American teachers in the schools. Our government pays only for the soldiers we have there in the army and navy.

Miss Siegfried is here to interest the Christian Endeavor society in maintaining a native Bible woman or preacher in the field to teach the people of Christ.

Her lecture will be free tonight and everybody is invited.

### M. S. Huyett Dead.

Marshall S. Huyett, for forty-four years a resident of St. Joseph, died a few days since at his home in that city. He was 61 years old. He resided in Maryville a short time with his family a number of years ago, but returned to St. Joseph. He and his brother, S. R. Huyett, engaged in the music business in St. Joseph for many years. After retiring from that business Mr. Huyett traveled as an agent of music houses and as a piano tuner. He has a wide acquaintance in northwest Missouri and northern Kansas. He is survived by his wife and two sons and a daughter, Marshall S. Huyett, Jr., of St. Joseph, William L. Huyett of Clarkson, Wash., and Eda R. Huyett of St. Joseph.

### Bought Out Partner.

Charles J. McCall has just purchased the interest of his partner in the McCall-Persyn grocery store at Lamar, Col., and the firm will now be known as McCall Brothers, C. J. and John F. McCall being the owners. Their store is the largest in the county in which Lamar is located. The young men are the sons of Mr. and Mrs. C. P. McCall of this city. Charles McCall has been in business in Lamar for eight years.

### Martin Miessler Here in Morning.

Martin Miessler of Pittsburg, Pa., a few years ago a member of the Maryville Conservatory faculty, arrived in Maryville Thursday morning to be the guest of Professor P. O. Landon a few days. Mr. Miessler will give the next number of the Maryville lyceum course at the M. E. church Friday night.

### Came for Grandmother's Funeral.

Mrs. Conrad Adamson and son of St. Joseph and Miss Mildred Whipp of Pomona, Cal., who were called to Maryville last week by the death of their grandmother, Mrs. George W. Long, left Thursday morning. Miss Whipp returned to her studies at Bethany college, Lindsborg, Kan.

### HAD GUN AT DANCE.

Jack James Arrested and Witnesses Say He Attempted to Shoot Up the Dance.

Jack James was arrested last night on a charge of carrying concealed weapons. When he was arraigned before Mayor Robey this morning he refused to plead guilty, and the city authorities turned him over to the county, and a charge will be made against him of carrying concealed weapons.

James attended a dance that was held at the home of Dos Seals in East Maryville Wednesday night. He had a gun with him, and during the dance he jerked it and was going to shoot up the dance. But he was prevented from doing so. James is a young man, married and has been living here for some little time.

Mayor Robey said Thursday that an effort will be made to break up these dances in East Maryville.

### A COMPETITOR OF UNCLE SAM.

Express Companies to Reduce Rates February 1.

Uncle Sam will learn what it means to compete with a powerful corporation when the new express rates for small packages go into effect on February 1.

The express companies expect to give the government the time of its life in the fight to recover the business which they lost through the parcel post during the holidays. On some business the new rates of the express companies will cut far under the postal rates. The new express rates are in conformity with the order of the interstate commerce committee and show a discount of from 15 to 50 per cent over the old tariffs.

The rate on foodstuffs by express will be somewhat lower.

### TO OPEN UP FIFTH STREET.

The East Part of That Street is to Be Open in the Spring, So Says Mayor Robey.

Fifth street is to be opened up on the east end. So says Mayor Robey. North of the bridge, commonly known as the "Omaha Charley" bridge, a fill will be made and the two old holes at the city water plant will be used in a nature of tiling to carry off the water. The boilers are 16 feet each in length, making thirty-two feet for both of them. The ends of the boilers and flues will be cut off. It will be a great improvement for that part of the city.

### MISSOURI A FRUIT STATE.

Statistics Show Crop is Worth Between 8 and 12 Million Dollars.

Missouri's fruit and nut crop in a normal year is valued at from 8 to 12 million dollars, according to the 1914 Red Book of the bureau of labor statistics. There are 23,128,107 fruit bearing trees in the state and in a normal year the yield is 11,957,399 bushels. This is enough to give every man, woman and child in the state more than three bushels of fruit every year. These figures do not include the annual grape and berry yield since the grapes are measured by pounds and berries by the quarts.

Mrs. Hannah Garten of Kansas City, who is visiting among her children, went to Pickering Wednesday to visit her son, Stant Garten, and family.

Mr. and Mrs. J. J. Mahoney went to Creston Wednesday for a few days' visit with their daughter, Mrs. George Martin, and family.

Miss Tessie Hunter returned Wednesday from Rosendale, where she had been visiting through the holidays.

## CRANE TO MOVE

TO THE PAUL SISSON BUILDING ON MAIN STREET.

## IS OLDEST MERCHANT

Has Been at Present Place for Twenty-Eight Years and His New Location Will Be Like Home to Him.

H. T. Crane, who has been in business in Maryville longer than any other man in town, is to move March 1 to the Paul Sisson building, south of the Montgomery Shoe company. In moving to this building, Mr. Crane feels as if he is moving back to his old home, as that was the place where he started in business over thirty years ago.

Mr. Crane has been located at his present place for twenty-eight years in the jewelry and book store business. He started in business in Maryville in 1868, and the name of the store was Crane & Evans. For the past thirty years Mr. Crane has been sole proprietor of the store.

In his new location, Mr. Crane will use the back part of the second story of the building for his picture framing business. His regular stock of goods will be on the first floor. The store will be up-to-date in every sense of the word. The building is in good shape, as it was recently remodeled and put in fine condition.

Mr. Crane will start within the next week to hold a removal sale to reduce his stock for his new location.

Mr. F. W. Olney will continue in charge of the jewelry department.

### MARRIAGE PROBLEM.

Chicago Has Court of Domestic Relations—Described in Magazine.

In the January American Magazine Ida M. Tarbell writes a remarkable article entitled "A Court of Hope and Good Will." It is a description of the work of the court of domestic relations in Chicago, a court which has to do particularly with the settling of differences that arise between husbands and wives. Concerning the marriage relation Miss Tarbell says:

"There are in the city of Chicago, let us say, five hundred thousand pairs of men and women who have undertaken to spend their lives in the appalling intimacy of marriage—to create homes where they may rear children. However convinced one may be that the greatest development and the most abiding satisfaction come to the average man and woman through the family, he cannot but be staggered by the demand it makes on freedom, effort, capacity. At one point or another of the alliance both the man and woman almost invariably break down. All depends then on character, the sense of obligation to correct, to take fresh hold. There is an amazing percentage of fair success in marriage. Personally I am inclined to believe that it is in this relation that life's most terrible battler are fought and the most stupendous victories gained. Nevertheless, failures are many. They range in degree from patient acceptance of the situation to open rupture."

### Visited Her Sister.

Mrs. W. H. Miller and little daughter of Maysville returned home Wednesday morning from a visit with her sister, Mrs. Eugene Rathbun.

Mrs. J. A. Griffey and son, Elmer, of Clearmont were in Maryville on business Wednesday.

T. A. Cummins went to Albany Thursday on legal business.

### HEDGES SHOULD BE CUT.

County Engineer Clary Says That the Wayside Hedges Must Go—There's a Law.

County Highway Engineer Clary is after the hedges and issued a declaration saying that they must be cut. The following is what he says in regard to it:

"There are a great many hedges along the roads in the county that have not been trimmed as required by law. The enforcement of this law has not been followed up in a strict manner the past season because in many cases the labor could not be secured to do the work. Now there can be no such excuse and all such hedges should come down at once and never be permitted to let grow again."

The law provides that all hedges along the roads shall be kept trimmed to five feet, the road overseer on being notified by three or more free-holders must report such offenders to the prosecuting attorney, and, if the violator does not within thirty days after being notified, cut the hedge, he shall be prosecuted and shall be liable to a fine of from $5 to $100.

"Such a fine, "points out the engineer, "may be imposed every thirty days, if the hedge is not cut.

"Persons living in the vicinity of untrimmed hedges should also notify the highway engineer of the existence of such hedge, giving the location as to section and portion of section, etc., also the name of the overseer in that district and the persons who are particularly affected by the existence of such unlawful hedges.

"If this is done at once, we might have practically all such hedges properly trimmed during the winter and spring without resorting to legal measures.

"Trimming to not over five feet does not mean trimming up the sides, nor does the law provide for leaving one standing every rod or any other distance. This move to eliminate this hedge nuisance should be impersonal, not exempting anyone, and with no persecutions."

### George Thompson Takes a Turn.

George Thompson, living north of Hopkins, and a son of Kellar Thompson of Hopkins, left home last Monday morning, leaving a note saying that he had gone and that it would not be worth while to look for him, adding that he was headed toward Bedford.

The family, of course, was greatly excited and worried and the neighbors were soon out in full force searching for him.

He did not follow the main roads but went through ravines, and no trace was found of him until late in the evening, when he was found in the woods near Gravity.

He at first refused to go home with the party and showed fight, but finally his son prevailed on him to go with them

He was then so near exhausted that he had to be carried to the road where an automobile was in waiting to convey him home.

He refuses to eat or discuss his strange actions and it is feared his mind is unbalanced, although most of his friends attribute the fact of his leaving to trouble he had had with a neighbor and one of his own sons.—Hopkins Journal.

### Mr. Spainhower Returns.

Rev. S. F. Spainhower of this city returned Wednesday from Fremont, Ia., where he has been assisting Rev. Snyder of Des Moines in a meeting at that place in the Christian church. The revival lasted two weeks and there were thirty-six additions. Rev. Spainhower is to go to Fremont next fall to hold another revival. In August he will go to Hedrick, Ia., to assist Rev. Grimes in a meeting there.

His program will not be a long one and will be selected to please the average audience.

## JURY ACQUITS HIM

O. O. WALLACE FOUND NOT GUILTY AT CAMERON.

## MARYVILLE MEN THERE

Wallace Was Charged With Robbing the Aurora Store at Cameron October 14.

O. O. Wallace, formerly of this city and well known here, was acquitted Wednesday by a jury in the circuit court at Cameron, Mo., of robbery of the Aurora general store at Cameron the night of October 14. Several people from Maryville attended the trial to testify in the behalf of Wallace's character. They were J. F. Montgomery, C. C. Corwin, G. B. Holmes, E. C. Moberly and J. G. Thornhill. Attorney W. A. Blagg of this city was also in attendance and represented Wallace.

The testimony produced at the trial shows that several people of St. Joseph had seen Mr. and Mrs. Wallace in St. Joseph on the night of the robbery. There were many witnesses from St. Joseph and all swore that Wallace could not have been in Cameron on that night, as they saw him in St. Joseph. There were only two witnesses, the night policeman and his son, who thought that they saw Wallace at Cameron on the night of the robbery. It did not take the jury long to decide that Wallace was not guilty.

The Maryville party, Messrs. Montgomery, Thornhill, Holmes and Moberly, had a little trouble in getting home Wednesday night. They left Cameron on a Rock Island freight train and went to Edgerton, and from there drove in an auto to Dearborn, getting there just a minute or two ahead of the interurban, which took them to St. Joseph. The members just did catch their train at the union station.

### QUITE A POULTRY CENTER.

A Three Days' Shipment From Clyde Totaled $1,626.26—Best Shipment From This Point.

Enis Brothers of Clyde closed their three days' special buying of poultry Monday evening, lacking only 2,500 pounds of having a car load for the Keeney Produce company at Clarinda, who started a shipment of poultry to New York Tuesday morning from Stanberry. The three days' buying at Clyde totaled $1,626.26.

The largest hen brought in was by M. J. Oliver. The hen weighed 10½ pounds. The largest young rooster, weight 9½ pounds, was brought in by Mrs. Joseph Leigh.

The heaviest bunch of hens, fifty in number, was brought by Joseph Wirth, netting him $36.11.

Joseph Wolfers brought in 100 hens that made $65.94 for him.

Mr. Bridgeman, the buyer, said he had bought many car loads of poultry, but he had never received a car of such quality and weight. Nearly all were Rhode Island Reds or Plymouth Rocks.

This firm receives orders nearly every week from city people for young roosters to head their peons, or pullets for laying.

Enis Brothers' shipments of poultry for the months of October, November and December footed up $3,373.35.

Every person, single or married, having an income of more than $3,000, and not exceeding $20,000; provided that after deducting from said income so much thereof as is derived from dividends or net earnings of corporations, etc., taxable upon their income, and the amount upon which the tax has been withheld at the source, there remains less than $3,000, no return is required.

Every person whose income exceeds $20,000.

Guardians, trustees, executors, administrators, agents, receivers, conservators and all persons, corporations, etc., acting in any fiduciary capacity.

Where returns must be filed—Every corporation, joint stock company, etc., must file its return with the collector of internal revenue for the district in which its principal place of business is located, viz. Where its books are kept from which its return is made up.

Returns of individuals, guardians, etc., must be filed with the collector of the district in which he or she resides, or has his or her principal place of business.

When returns must be filed—On or before the first day of March, 1914, except in cases of corporations, etc., which have designated the end of their fiscal year as some time other than December 31st in which case returns must be filed within sixty days after the close of the fiscal year.

How blanks may be obtained—Collectors have lists of corporations and blanks will be mailed to them on or before December 31, 1913. Every corporation, etc., not receiving blanks by January 16, 1914, should at once write to the collector for blanks giving full name of corporation, etc., state granting charter and postoffice address.

## DID NOT REMOVE

RECORD ASSOCIATION OFFICE, BUT MAY LATER ON.

## HARVEY AS PRESIDENT

George F. Woodworth as Secretary and C. D. Bellows as Treasurer—Extended a Vote of Thanks.

The removal of the headquarters of the Standard Poland-China Record association was discussed at their annual meeting of the association held Wednesday afternoon, and a resolution was offered to remove the offices to Kansas City. After talks made by F. P. Robinson and W. O. Garrett of this city and S. McKelvie of Fairfield, Neb., against the removal of the office the resolution was laid upon the table. Thus ended the removal fight for another year, but it will probably come up again next year at their annual meeting to be held in Maryville.

Seven directors of the board were elected and they were as follows: J. H. Harvey, Maryville; B. F. Gilmore, Hopkins; H. L. Faulkner, Jamesport; W. H. Charters, Jr., Butler, Mo.; P. C. Miller, Conway, Ia.; T. J. Meisner, Sabetha, Kan.; Ollie McKelvie, Fairfield, Neb.

The board held their meeting Wednesday night and organized by electing J. H. Harvey as president; B. F. Gilmore, vice president; George F. Woodworth as secretary, and C. D. Bellows, treasurer.

Mr. Woodworth as secretary has served for twenty years in that capacity.

At the annual meeting Wednesday a vote of thanks was extended to the Poland-China breeders of the county, the Commercial club and the Elks club for their fine entertainment.

**TAKES OFF DANDRUFF HAIR STOPS FALLING**

**Girls! Try This! Makes Hair Thick, Glossy, Fluffy, Beautiful—No More Itching Scalp.**

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Advertisement.

**10-CENT "CASCARETS" IS YOUR LAXATIVE.**

**Best Liver and Bowel Cleanser and Stomach Regulator in the World—Work While You Sleep.**

Get a 10-cent box.

Put aside—just once—the salts, pills, castor oil or purgative waters which merely force a passageway through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, biliousness, coated tongue, indigestion, sour stomach or constipated bowels. Cascarets belong in every household. Children just love to take them.—Advertisement.

**Montana Farmer Slain by His Son.**

Great Falls, Mont., Jan. 8.—At Chester, Mont., Adolph Schuder, a farmer, was shot and killed by his fourteen-year-old son, Adolph. Ladimer Chadek, a neighbor, called at the Schuder home and became involved in a quarrel with Schuder. The latter ran into his house for a shotgun and Chadek fled toward his own home. Schuder pursued his foe in a buggy, firing at him until he stopped and begged for his life. Schuder then tied his foe hand and foot and told his wife and son, who had followed him, that he was going to drag him to death behind the buggy. The boy then seized the shotgun and killed his father.

## LEADERS OPPOSED STRIKE

**Federation Heads Not In Favor of Walkout in Michigan.**

Houghton, Mich., Jan. 8.—The strike of copper miners, which was called here July 23, was opposed by the officials of the Western Federation of Miners, Governor Ferris was told by representatives of the union.

The union delegation emphasized that the strike was called only after a referendum vote had shown a big majority of the rank and file insisted on it, that any preparation for settlement must be passed upon by the general membership.

**Conference With Lind Satisfactory.**

Washington, Jan. 8.—Officials here have learned that President Wilson regards his recent conference with John Lind as very satisfactory and that its prime purpose to unfold the president's plans and purposes toward Mexico more clearly than could have been done by long distance communication was very successful.

**Offers Carranza 4,000 Cossacks.**

Hermosillo, Mex., Jan. 8.—A Canadian promoter made an offer to General Carranza to bring 4,000 Russian Cossacks into Mexico for his campaign against the Huerta government. The offer was rejected, as have all propositions to bring foreign fighting men into the constitutionalist army.

**General Mancilla Arrested.**

Presidio, Tex., Jan. 8.—General Jose Mancilla, one of the most prominent commanders of the Mexican federal army, deserted, crossed over to the American side from Ojinaga, Mex., and was held by the United States border patrol.

**Striker Shot.**

Tacoma, Wash., Jan. 8.—In a fusillade of shots at the offices of the Tacoma Smelter company, where a strike has been in progress for a week, one man was badly wounded. Andrew Runeo, a striker, was shot in the abdomen, presumably by a stray bullet.

**The Weather.**

Unsettled and colder.
